

Errata to X. Liang, L. Zhang and X.-Q. Zhao's paper [J. Dyn. Diff. Equat., 31(2019), 1247-1278]

In paper [1], there are some typos: the assumption (H2) on page 1251 should be changed into the following:

(H2) For any $t \geq s$, $\Phi(t, s)$ is a positive operator on X , and $\omega(\Phi) < 0$.
